General Conditions

Premium

We take a number of factors into account when calculating Your premium which could include but not limited to Your risk profile, the geographical region and plan You have chosen and other information You provide to Us when applying for this insurance.

Factors that increase the risk to Us generally increase the premium (e.g. where You apply to be covered under the plan with the highest level of cover) and those that lower the risk reduce premium payable (e.g. where You are applying to be covered under Domestic geographic region).

Your premium includes any amounts payable that take into account Our obligation (actual or estimated) to pay any relevant compulsory government charges, taxes or levies (including stamp duty and GST) in relation to the Policy.

We will tell You, when You apply, what premium is payable, when it needs to be paid and how it can be paid.

Cover is effective from the Policy Issue Date as shown on Your Certificate of Insurance.

This is an annual policy. We may change Your premium at renewal if We notify You of the change prior to that date.

Significant Tax Implications

Generally, Your premiums are not tax deductible and claims payments are not assessable income for tax purposes unless You purchase Your Policy for business purposes. This tax information is a general statement only. See Your tax adviser for information about Your personal circumstances.

Goods and Services Tax

Where You are a registered entity You may be entitled to an input tax credit for Your premium and/or for things covered by this Policy. You must disclose these entitlements to Us if You make a claim under Your Policy.

If We agree to pay a claim under Your Policy, We will base any claim payment on the Goods and Services Tax (GST) inclusive costs (up to the relevant policy limit). However, We will reduce any claim payment by an input tax credit You are, or would be, entitled to for the repair or replacement of insured property or for other things covered by this Policy.

You can cancel Your Policy at any time by telling Us in writing. The cancellation will take effect on the day We receive Your written cancellation. We may cancel Your Policy by giving You written notice to the address on file where You:

- a) breach the Duty of Disclosure;
- b) breach a material provision of Your Policy;
- c) make a fraudulent claim under any policy of insurance;

If We cancel, We will refund the premium for Your Policy less an amount to cover the period for which You were insured.

Renewal of Your Policy

This insurance may be renewed for further consecutive yearly periods upon payment of the premium. Payment of Your premium is deemed to be acceptance of an offer of renewal for a further Period of Insurance. If You continue to pay Your premium, then unless Your Policy is cancelled or We advise You prior to the End Date of Your current Period of Insurance that We will not be renewing, a policy on the same terms and conditions automatically comes in to existence for one (1) year from the End Date.

Your Policy is not able to be renewed once You are eighty (80) years of age or older on the End Date of Your current Period of Insurance.

Expiry of Your Policy

Your Policy expires at the end of the Period of Insurance. We may decide not to renew Your Policy. If We decide not to renew Your Policy, We will send You an expiry notice at least fourteen (14) days before the expiry of Your Policy.
